1.4.2 Feedback Analysis and Action Taken Report - 2022-23

The Feedback Committee of the institution designs and collects feedback from its stakeholders to monitor and evaluate its performance quality on curriculum and curriculum related issues. The feedback forms were collected from students, teachers, alumni and employer. Students who offered feedback were from different background. The feedback targets following different content for different stakeholders.

- For students, it addressed curriculum and its learning related issues in terms of quality, competence, skills and professionalism. This feedback also considers other issues like delivery of curriculum by teachers.
- For teachers, the feedback addressed issues like suitability the course and its need base, outcomes of the curriculum, relationship with course content and corresponding reference material, availability of reference materials in terms with curriculum, evaluation methods and curriculum delivery, etc.
- For alumni, it aimed for responses on adequateness of courses curriculum, sufficiency of syllabus content in context of current professional standards and curriculum design in context of development of self-directed learning and problem-solving approach.
- For employer, it aimed for responses on adequateness of courses curriculum, sufficiency of syllabus content in context of current professional standards and curriculum design in context of development of self-directed learning and problem-solving approach.

The feedback collected is analysed and sent it to the respective authorities for the action.

I: Feedback from Students:

Feedback	Action taken	Impact
I think they have included practical methods those use in industry and As India is considered a developing nation, I think the syllabus must be updated annually and modern techniques used in industry must be properly instructed to overall develop intelligence of students	Formal instructions were circulated all the Science teachers for addressing the issue of practical methods.	Teachers made efforts to include practical methods, such as projects, internships relevant to industry.
The syllabus must be updated on more regular basis. Content of syllabi needs enhancement in terms of quality.	Formal instructions were circulated to all the teachers for addressing the issue of enrichment of content in the syllabus. All the teachers were notified about the issue and they were encouraged and enriched the curriculum with more appropriate teaching-learning methods and techniques.	Teachers made students familiar with ideas of POs and COs and their expected outcomes. Subsequent application by teachers was observed and efforts were effective.

Competition sharply increasing required more details Syllabi should be based on needs and wants of society.	Formal instructions were circulated all the teachers for addressing the issue of applicability of the curriculum.	Teachers made efforts to relate the curriculum with real life situations.
Reference material should be updated; newly appointed professors should have knowledge above what they're going to teach.	Formal instructions were circulated to all the teachers for addressing the issue. Newly appointed teachers were also informed to provide proper reference material.	All teachers updated the reference material as per requirement of students.
The emphasis should be more on practical base education than theory. More practical training sessions are desired by the student.	Formal instructions were circulated to all the teachers for addressing the issue of increasing practical training sessions.	Teachers paid more attention to practical sessions and made their teaching more experiential
Please complete the syllabus in time and provide question banks before examination.	Formal instructions were circulated to all the CS teachers for addressing the issue.	All the teachers from CS department provided question bank to students
In Difficult Topics give simple examples and YouTube links, easy to understand the topic.	Formal instructions were circulated to all the IT teachers for addressing the issue.	Teachers made efforts to provide various methods of teaching and also U-tube links to students for better understanding
Need revision	Formal instructions were circulated to all the COMMERCE Faculty teachers for addressing the issue.	Teachers made efforts to provide revision for some topics
Need more interaction with students.	Formal instructions were circulated to all the COMMERCE Faculty teachers for addressing the issue.	Teachers made efforts to increase the interactions with students through their mentoring groups.

II: Feedback from Teachers

Feedback	Action taken	Impact
Do syllabus skilled base/ Student friendly and job oriented. Syllabus should be modified according to the needs of the students. Need to include topics or course which generate confirm job opportunities	formal instructions were circulated to all BOS of the University through competent authority for addressing the issues suggested by the teachers through feedback.	The details of the feedback were received by BOS of the University and appropriate awareness was created
Toilets are not available for staff on the second floor Toilets on each floor are necessary for students and staff in main building.	Formal instructions were circulated to competent authority for addressing the issue.	Management decided to construct new washroom for staff and students at second floor of main building.

III: Feedback from Alumni

Feedback	Action taken	Impact
Provide best washroom facility for girls.	Formal instructions were circulated to competent authority for addressing the issue.	Washroom facility for girls was improved. Sanitary napkins vending machine is installed.
Improve security	Formal instructions were circulated to competent authority for addressing the issue.	4 Security guards were appointed in college campus. Separate lady Security guard was appointed in college campus considering safety of girls' students.
