Year 2022-23

Introduction:

Prof. D.P. Singh, Chairman UGC states that, Higher Education institutions play an important role in the development of individuals, family and society. It is the responsibility of colleges to provide the quality education to each and every student. The transition of students from secondary to higher education and from UG to PG programs needs support of the institution in a way that they develop a sense of belongingness and an awareness of their rights as well as responsibilities. With these objectives UGC has developed, "Deeksharambh – A guide to Student Induction Programme" with a purpose to help students to acclimatize with the new surroundings, develop bond with fellow students and teachers, sensitivity towards various issues of social relevance and imbibe human values in them so as to become the responsible citizens.

The purpose of Deeksharambh - Student Induction Programme is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self-exploration.

UGC has introduced this program under the Quality Mandate Programme and we are lucky enough that our Principal has implemented it in our college. In the current academic year (2022-23), I got the opportunity to organise the Student induction programme for the students enrolled in first year of the college under the guidance of Hon'ble President of Janata Shikshan Mandal, Adv.
