Good administration. No suggestion

A washroom and toilet is very necessary on every floor of the class room. For students and teachers

Cooperation is very poor in teacher. Should be boost at correct way by principal. Mutual understanding should be developed, suggestions should not be considered as complaints. Prejudicial behavior should stop. There should be a feeling of getting the work done immediately. There should be proper cooperation from the college clerk in administration.

Gent toilet must be update with modern comode and jet spray.
