For the first time in J.S.M. College, the day was celebrated by cutting a cake in the presence of some girls present on the occasion of Women's Day. Also, a poem on women was recited by Mathure Madam. On this occasion, Principal Dr. Anil Patil welcomed the Chief guest Adv. Reshma Patil and Dr. Vaidya, former student of the college with roses.

Nature Club – Report

I am pleased to present the Nature Club Report for the year 2020-21. The Nature Club actually works for coming close to nature, wandering in nature and getting acquainted with nature, but these were not possible, as students could not come to the college due to the Covid-19 Pandemic. In the same way as classroom lectures were replaced by online lectures, the Nature Club Programmes were organized in the online mode in the latter part of the academic year. The following Programmes were organized with the motto 'Know Your Nature and Care the Mother Earth'.

1) Environment and Bio-diversity lecture series:-

On 1st and 3rd April 2021, 5 lectures were organized for students on Google Meet Platform.

On 1st April the first lecture was given by Principal Dr. Anil Patil on 'Our Nature, Our Plant Biodiversity'. Through the lecture he introduced the students to various plants found in different seasons and the different locations of Alibag Taluka with the help of very beautiful slides.

Prof. Dr. Prashant Chate spoke on 'Save Earth from Air Pollution' and made people aware of the various effects of air pollution. In the last session, Prof. Advait Ghatpande, Head of the Zoology Dept. of the college, gave a talk on 'Animal Biodiversity: A virtual Tour'. He introduced all the small and large animals found in the world through his presentation.

The second part of the programme was held on 3rd April 2021. Dr. Amit Setia, from Gadchiroli was invited to give a lecture on 'People's Participatory Nature Conservation: the Need of time-case studies from the Field'. The last lecture of the session was given by Dr. Preeti Phate on "Slime Molds: Hidden Beauties of Nature" in which she showed the subtle but colorful fungus growing on earth.

The lecture series was organized by Dr. Minal Patil, In-Charge of the Nature Club with the help and co-operation of other committee members.

2) Photography Competition for the students was organized from 1st to 5th April 2021. The students participated in the programme spontaneously. Total 60 Photographs were submitted for the competition. The best photographers were honoured with prizes. All the Photographs were displayed in an online exhibition.

All these programmes were organized under the valuable guidance of Principal Dr. Anil Patil. All the Nature club Committee members- Prof. D.G. Khandare, Dr. Prashant Chate, Prof. Advait Ghatpande, Dr. Sunil Anand, Dr. Preeti Phate, Ms. Samruddhi Patil and Mrs. Manjusha Patil contributed in the programmes.

Career Guidance and Placement Cell

The career guidance and placement cell of the college organizes different programmes on a regular basis to provide students with information regarding different job opportunities and the necessary qualifications for them. In the academic year 2020-2021 various career guidance sessions were organized in the online mode due to Covid 19 pandemic.

On 17th March 2021, renowned career counselor and retired Gazetted officer Mr. Suhas Patil delivered a lecture on Banking and Staff selection Exams. 96 students participated in the session organized through Google Meet. Dr. Anil K. Patil, Principal of the college also guided the students.

On 18th March 2021, a lecture on various Competitive exams in Banking Sector was delivered by Mrs. Arya Jadhav of Vikas Sawant Academy. 90 Students were present for the program. Various queries and doubts of the students related to banking and other staff selection examinations were cleared by the resource person.

In addition, students are provided with updates regarding various job opportunities, advertisements of various posts, necessary qualifications etc. through Whatsapp.

Industrial Visits and Excursion Committee

During the academic year 2020-21 Prof. D.G. Khandare, Dr. Sonali Patil, Prof. Gauri Lonkar, Dr. P.B. Acharya, Prof. Jayesh Mhatre, Prof. Kapil Kulkarni, Dr. Sunil Anand, Prof. S.K. Tanawade and Prof. V.S. Erande worked as members of the Industrial visits and Excursion Committee.

During the Academic year 2020-21 it was not possible to organize industrial visits and excursions. The Geography Dept. organized an online programme for the students with the help of power point presentation wherein they were provided valuable information about the cultural, geographical and historical tourist places in India. During the latter part of the year an online quiz for students was organized in which 43 students participated.

Students' Consumer Store

The J.S.M. College students' Consumer Store was established in the college after 3 years of the inception of the college, with the motto to provide educational material to the students on 'No Profit No Loss' basis. The store is registered vide Regd. No. REGD/ABG/CON/102/1964 dated 01/03/1964. From its inception to date, the students' consumer store has provided the necessary journals, files and other stationery materials at affordable prices. In recent years only science students are provided with necessary journals.

The students' consumer store operates from June to Sept. However, due to the Covid-19 Pandemic and Lockdown during the year 2020-21, no journals and books were provided to the students through the store.

The Audit for the Financial Year 2019-20 was completed in this year. In the coming days, the students' consumer store will be set up as per the rules of Co-operative Society.

Energy Conservation and Ecofriendly Campus Committee

The main aim of forming the Energy Conservation & Ecofriendly Campus Committee is to identify, consider and recommend strategies that will enhance environmental awareness and energy conservation in the college campus. The committee will also plan the efforts needed to develop an ecofriendly campus.

Keeping the above facts in consideration and making students aware about role of forest in human survival, the committee along with NSS unit and Department of Botany organized **Online Quiz Competition** on the occasion of **International Day of forest-2021** on 21st March 2021. The theme for this year was Forest restoration: a path to recovery and well-being. The competition got a huge response in the form of 544 participants. To all the participants' e-certificate were given.

To celebrate **World Water day on 22nd March**, the committee along with NSS unit of the college organized **Poster making competition** on theme **Save Water**. About 25 students participated in the competition; the winners were awarded by exciting gifts.

To create awareness about energy conservation among students and other staff members, a **Slogan making activity** was organized by the committee on 24th March 2021 for students. They made beautiful cards and posters with energy saving quotes and messages. The cards and posters were then displayed at various department of the college to let others know about the need of saving electricity, water and nature.

The committee members will try their best to serve the motto of energy conservation and developing an ecofriendly campus along with students.
