NSS DAY CELEBRATION
ORIENTATION PROGRAM REPORT

Date: 24/09/2021

The graduating student must have excellent knowledge and skills in the area of his study. However, he must also have broad understanding of society and relationships. Character needs to be nurtured as an essential quality by which he would understand and full-fill his responsibility as a citizen and a human being. Besides the above, several meta-skills, soft skills and underlying values are needed. There is nostalgia of Mobile and Internet in young generation today; the students are not interested to participate in extra-curricular and co-curricular activities. So that our College has conducted NSS orientation Programme every year, which is useful to motivate the students to understand the aims and objectives of National Service Scheme and for the participation in NSS activities. The orientation programme was conducted on the occasion of NSS Day on 24th September 2021 at 11:00 am on Google meet platform.
